

Dear God,

Creator of heaven and earth - we ask you from the depths of our hearts and souls to please protect those on the front lines of this war - all of the courageous doctors, nurses, hospital workers and first responders.

Their selfless efforts inspire us to call out to You. I ask you to please protect

_____ ,
who has a special place in my prayers.

And when this time passes, may we emerge as better people committed to making a better world. May it be soon.
